13th September 2013

Dear Tesuco,

In March this year we brought two of your OTS200 brazing sets, they have proved to be a great asset to our business, the portability of the unit has reduced our OHS risk not to mention the ease of use of the set and the time saved compared to when using the big oxy and acetylene bottles, and of course the no more rental costs, we just want to thank you.

Regards,

Ken Shelley
Company Director
